

Obelisco

E S T A T E

The 30 acre vineyard, designed and planted for the sole purpose of producing intensely complex and rich red wines, is located on a southwest facing slope bathed in sunlight throughout long daylight hours, with cool nights and the moderating effect of the Yakima River below. Obelisco Estate vineyard is perfectly situated to grow world class grapes noted for their structure, acidity and intense varietal character.

Clusters have tiny berries and fruit is limited to 4 pounds/plant

The vineyard is one of the most intensely planted in Washington
